START AND STAY STRONG

Lorenzo Hornets -

As our community, state, and nation continue to adjust to the realities of COVID-19, I find myself deeply grateful for the support, trust, and grace the Lorenzo Hornet community has shown not only to me, but to the leaders, teachers, and staff members of the Lorenzo Independent School District. While this is not how any of us hoped to begin a new school year, our entire Hornet family has risen to the challenge and is prepared to deliver safe, engaging, and meaningful learning opportunities for all students.

Be assured that none of the decisions for the school year were made lightly. Student and staff safety will always remain the District's top priority and the driving force behind our thinking and decision making. I consider it a great honor and privilege to lead this District, which is why I, along with the other members of the administrative team, approached our return to school plan with great intention and care.

Lorenzo ISD staff members are more than excited and prepared to welcome your children at school this year. We look forward to Parent Night, Open House and pep rallies when we can all be together, but in the meantime, remember, **TOGETHER WE ARE HORNETS!**

Kayla Morrison

Superintendent
