

Lorenzo ISD Prekindergarten Family Engagement Plan

(Revised November 2025)

Facilitate family to family support

- Provide opportunities for families to build relationships as they participate in LISD activities such as family nights, class trips and parties, programs and open houses, holiday lunches and campus events

Establish a network of community resources

- Utilize campus contacts such counselors, churches and civic organizations to identify needs and refer families to appropriate resources for support

Increase family participation in decision-making

- Invite families to attend annual Goals day conferences
- Collaborate with families to address individual challenges
- Schedule home visits for families as needed

Equip families with tools to enhance and extend learning

- Share results of required screeners and connected activities
- Provide tips for increasing literacy and numeracy in weekly communication folders
- Share games and activities from adopted programs

Develop staff skills in evidence-based practices that support families in meeting their children's learning benchmarks

- Provide opportunities for staff to attend professional development in person or online
- Review screening data as it is collected throughout the year to address learning needs
- Provide growth data for use in MTSS/RTI/IEP meetings
- Collaborate with Kindergarten teacher to ensure a smooth transition

Evaluate family engagement efforts and use evaluations for continuous improvement

- Use district surveys to evaluate engagement plans
- Adjust plans and programs to further meet student and family need
